

NEW RACE DATE

Off Road Racing returns to the Charleston Speedway **Saturday Aug 2**. This will be a afternoon event with no stock car racing Saturday night. The local county fair is having a demolition derby that night at their track. The Speedway offers MAORA's spectators covered grandstands and the Race Teams like this well groomed and competitive track.

Casey Enduro

This Series continues to gain in popularity. The track had rain a couple of days before the event so the track was fast and not very dusty. The Class 16 entries of Blake Mayer # 677 and Brian Daffron # 608 put on quite a show. They finished first and second and were still swapping positions on the last lap. Blake pulled off the win by not stopping for the entire three hours. Tim Scherer Racing # 743 finished on the same lap to win the 7s Truck class.

Charleston Speedway

Every Race Entry was weighed at the Charleston June 22 event and no entries were found under weight. The Speedway Crew keeps this track in great shape. They put in a jump on the main straight and remove it when we are finished. There are also three or four fixed jumps left in the infield section. Nancy's Lettering donated the awards for all Classes.
