

## Fresh Poop!

Race dates were the main subject at MAORA's March 2, board meeting. We have added a new track for this year as well as returning to some of our favorite tracks from last season. MAORA will offer a pair of 200 Km Endurance Races as Special Events for the 2003 racing season in addition to the MAORA Championship Short Course Series. A quick look at the paid member list will show a strong truck following. Also expected strong this season are Class 16 cars. ( A BUNCH )

With 6 of our scheduled 8 race Short Course series events already signed up we are off to a good start. Hold the July 4<sup>th</sup> weekend open for something special.

## 12 RACERS WANTED!

MAORA wants you new racers and you veterans that have an older race car or play buggy. Want to put your son or daughter in that car that's been sitting too long? Bought a new racer and want to get the feel of it without facing the pros? Just want to race a few times a year and not worry about class rules? If its safe ( fuel cell, belts, nets and brakes) our Sportsman Class 12 is the place to test your skills. This class is intended for the novice racer and is a trophy only class. Some of MAORA's best racers have come from this class. Competitors pay a tech and registration fee only. (\$25.00)
