

## Lincoln Trail Fall Classic

What can I say, this event gets a little bigger every year. We had new racers from as far away as Florida, Oregon and New York. Even with Friday's rain storm we still had to water the track before the second heat race on Saturday. By Sunday the creek had gone down enough to use the long track for the 200 km Enduro. The pig must have been good because there was very little left over. ( We did save a shoulder for the Fall Meeting.)

### Saturday's Short Course Winners:

Class 7	# 755	Peavler Racing
Class 7e	# 743	Rodney Anderson
Class 7s	# 88	Don Ponder
Class 9	# 923	Jeff Sands
Class 12	# 919	Glen Woolbright
Class 16	# 396	John Svanda

Sunday # 1223 Jeff Sands took the Grand Champion Enduro Trophy after a 3 1/2 hour 120 mile run with his Class 9 car. # 677 Blake Mayer driving a Class 16 car was two laps ahead when mechanical problems forced him out of the race with less than 2 miles to go. Other long range drivers include:

# 903	Bob Mayer	116 miles
# 357	Scott Morrow	104 miles
